INDEPENDENT TECHNOLOGY ASSURANCE AND AI ADVISORY

EXECUTIVE GUIDE

Technology Assurance Health Check™

Executive Diagnostic Assessment

IS YOUR TECHNOLOGY GOVERNANCE FIT FOR PURPOSE?

Independent insight into governance, risk management and assurance arrangements across technology-enabled operations.

Independent Technology Assurance, Cyber Governance & AI Advisory

Governance. Risk. Assurance. Confidence.

THE CASE FOR INDEPENDENT INSIGHT

Why organisations request a Technology Assurance Health Check™

Many organisations are investing heavily in digital transformation, cloud services, cybersecurity and Artificial Intelligence. However, boards and executives often lack independent insight into whether governance, risk management and assurance arrangements remain fit for purpose.

The Technology Assurance Health Check™ provides a structured and independent assessment designed to identify strengths, gaps and improvement opportunities before they become significant issues.

WHO IS THIS ASSESSMENT FOR?

- Boards & Audit Committees
- Chief Audit Executives
- Risk Leaders
- Executive Leadership Teams
- CIOs and CISOs
- SMEs & Scale-Ups

WHAT WE ASSESS

01 Technology Governance**03 Cyber Governance****05 Operational Resilience****02 Technology Risk Management****04 Technology Controls****06 Assurance & Oversight**
