Technology Assurance Health Check™

Executive Diagnostic Assessment

WHY ORGANISATIONS REQUEST A TECHNOLOGY ASSURANCE HEALTH CHECK™

Many organisations are investing heavily in digital transformation, cloud services, cybersecurity and Artificial Intelligence. However, boards and executives often lack independent insight into whether governance, risk management and assurance arrangements remain fit for purpose.

The Technology Assurance Health Check™ provides a structured and independent assessment designed to identify strengths, gaps and improvement opportunities before they become significant issues.

Who Is This Assessment For?

- Boards & Audit Committees
 - Executive Leadership Teams
 - Chief Audit Executives
 - CIOs and CISOs
 - Risk Leaders
 - SMEs & Scale-Ups
